for successfully participating in the

**ASEAN Youth Camp 2025 (AYC 2025) “AI Hackathon for Green Sustainability”
June 17 - 20, 2025 in Pathum Thani, Thailand**

This camp united students and teachers to collaborate, innovate, and grow through intensive teamwork, cross-cultural interaction, and hands-on challenges. The outstanding commitment and enthusiasm were demonstrated in group activities, technical challenges, and pitching sessions.

We applaud their role in advancing STEM learning and global collaboration.
